

1st CLMS General Assembly

2024-06-03 to 2024-06-05

Belgium, Hybrid

On 3-5 June 2024, the Copernicus Land Monitoring Service (CLMS) will hold its 1st General Assembly. This event is a follow-on of the annual Copernicus Land User Events which were held in 2022 and 2023.

The event will have a hybrid format, with the physical part taking place in Antwerp, Belgium. Registration is now open!

Highlights will include:

- CLMS plans and developments
- Use cases and user requirements
- Interactive marketplace and poster sessions
- · Research projects and strategic agenda

The event is open to anyone working with, or interested in, the Copernicus Land Monitoring Service.
